Re: Mr. Larry Lowenthal

To Whom It May Concern:

I had the pleasure to work with Mr. Lowenthal in his capacity as an expert witness on real estate ethics. The matter at hand concerned the disclosure obligations of realtors when acting as property owners and the ethical complications therein. I not only found Mr. Lowenthal to be extremely knowledgeable about all areas pertaining to our matter, but his professional demeanor and plainspoken accessibility was critical in conveying our fact pattern to the jury. Additionally, his experience serving on numerous professional commissions, his résumé of accolades, and his experience as an educator make him an ideal expert on real estate matters, as his credibility as an authority is easily established.

I would highly recommend Mr. Lowenthal as an expert in real estate matters given his knowledge, communication skills, and professionalism. He is truly an asset for any real estate firm and I look forward to working with him in the future.

Respectfully,
